

We are pleased to introduce to you our HIS for SMEs platform. The HIS for SMEs provides high impact training programs and HR consulting at highly subsidized rates to employees of small and medium enterprises. In other words we make it possible for small and medium enterprises and self . employed individuals to take advantage of high quality developmental opportunities.

Under this platform,

- Interested parties may enroll in any of our HIS open programs
- We offer in-house high quality training programs to SMEs
- We provide HR consulting services to serious minded SMEs desirous of putting sustainable HR structures in place. This includes performance management, organizational development, recruitment, work force planning and so much more

Visit our website and download our calendar of open programs for 2012. We suggest you plan ahead and register now as there are limited spaces. For more information, please call +234 1 8753295 and +234 803 8375519 or email csa@learningsolutionsng.com
